5050-50: EasyOne FlowTube box of 50

5050-200: EasyOne FlowTube box of 200

TrueFlow
makes the difference

ndd's unique ultrasonic flow measurement is highly accurate in all flow ranges, independent of gas composition, pressure, temperature and humidity. **ndd TrueFlow** is a hygienic and resistance-free solution that does not require calibration during its lifetime.

EasyOne Connect

EasyOne Connect software offers one database and one platform for all EasyOne point-of-care-solutions. Data management has never been easier.
