# Easy-on PC

PC spirometer

## Connecting patients to precise pulmonary care

ndd's PC-driven spirometer employs the interactive EasyOne Connect software to deliver rapid, accurate and reliable results. With compelling features such as live curve visualization, animated incentives and integration with leading EMR/EHR systems, the Easy on-PC is the clear choice for PC-connected spirometry.

ndd's patented TrueFlow technology eliminates the necessity for calibration, saving time while producing precise and dependable results.

# Simple. Certain. Proven.

**Incentive screens**  
Available with *EasyOne Connect* software

## Specifications

**Test Types:** FVC, FVL, SVC, MVV, Challenge and Pre/Post testing
